...

Jesus the Good Shepherd

Jesus – The Good Shepherd – John 10

- John's Gospel contains seven beautiful self-descriptive metaphors Jesus uses to describe who he is – The Seven "I AM" sayings.

- 1) "I am the Bread of Life" – **John 6**
- 2) "I am the Light of the World" – **John 8 & 9**
- 3) "I am the Door" – **John 10:7**
- 4) "I am the Good Shepherd" – **John 10**
- 5) "I am the Resurrection and the Life" – **John 11**
- 6) "I am the Way, the Truth, and the Life" – **John 14:6**
- 7) "I am the True Vine" – **John 15**

- Among all of these "I AM" statements of Jesus, **perhaps the one that has brought the most comfort, guidance, and reassurance to God's people** over the last 2,000 years of the Church would be: **"I am the Good Shepherd"**

ILL> Look at this **PICTURE**. What do you see **first**? (The vulnerable, ignorant lamb). After your eyes study the lamb, then what do you notice? (The caring shepherd running to rescue the lamb)

- These are also the two views of our experience with Jesus, the Good Shepherd:

1. **SHEEP-CENTRIC** - **Our experience** as the sheep under His loving care.

SERMONLY: CLOSING THOUGHTS

Discover the power of Sermonly, an excellent tool designed to streamline your sermon preparation process and save you valuable time. With the Chrome extension, you can effortlessly build a comprehensive snippet library by collecting quotes, articles, and other relevant content from the internet, ready to be used in future sermons.

Experience the convenience of templates, enabling you to create a consistent guide for your sermon formats from week to week, ensuring a cohesive message delivery. Additionally, Sermonly serves as the perfect home for your sermon library, allowing you to import all your past sermons and keep them in one organized spot.

Ready to begin? Simply log in and follow the prompts to reach the dashboard. From there, you can conduct a "Quick Find" search across all your assets, start constructing a sermon or snippet, and even import previously created media for reuse or centralized storage.
