CAPTIONS: SUMMARY

Captions is an exceptional app designed to elevate your presence on social media. By incorporating captions into your teaching moments, you can significantly enhance your social media outreach, as research shows that viewers are notably more inclined to engage with content that features captions. Additionally, Captions offers the ability to convert a full sermon's YouTube URL into a series of concise short-form videos, enabling versatile deployment across social media platforms, email campaigns, and blog posts.

To begin with Captions, download the app from the App Store and sign up for the 3-day free trial. Import your chosen video for editing and trim the sections you intend to utilize. Afterward, select your preferred language and explore the comprehensive library of features designed to enhance your content. Once the AI editing process is complete, export your creation in your desired aspect ratio and quality.
